Subject: Upcoming MASD sampling event

Hi Kathy,

First of all, thank you, once again, for volunteering to help us out for these Mid-America Steel Drum investigations. Your help is invaluable to us.

I just had a quick list of things that I wanted to ask you, to see you maybe you could help supplement our weak supply of sampling equipment.

Do you by any chance have:

- Evidence tape,
- Long coliwasas,
- A bung wrench,
- rulers that can get nasty, and/or
- coolers?

Also, we would appreciate using your Multi-RAE again, if possible.

Thanks so much!!

Brenda
